Lakefront cottage properties are an excellent investment option. The advantages include:

- Minimum 13% to 30% growth per year
- A high demand for good rental properties
- Source of relaxation for your family
- Excellent business opportunity with write-offs
- Demographics suggest waterfront properties will continue to be a great investment for the next 10 years

If you are interested in discussing the opportunity further, please call me, Bob Sadlier, Sales Representative Michael Brierley Ltd., (905) 632-6201 or (905) 638-2495.
